HAMLET OF AERIAL JUNE 1949

1. Location Section 28-8-19-W4. In Census Division No. 6.

2. This location is at Rosedale on the Calgary-Saskatoon line of the Canadian National Railway and at the junction line of the Canadian Pacific Railway where it connects with the C.N.R. The hamlet lies between the C.P.R. and the Red Deer River.

3. Aerial forms part of Improvement District No. 42 and is classified and included in the hamlet of Rosedale.

4. There is a post office at Aerial, one general store and the "Star" coal mine. This mine is in Census Division No. 6 and on the right bank of the river when looking up stream.

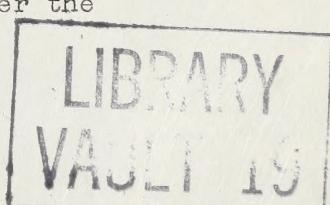

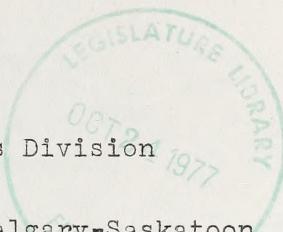

5. The mine tipple was on the left bank of the river until 1929 when the trackage was extended from the Rosedale mine. Previous to this date the coal was hauled in large buckets over a steel cable that stretched across the river from the mine mouth to the tipple.

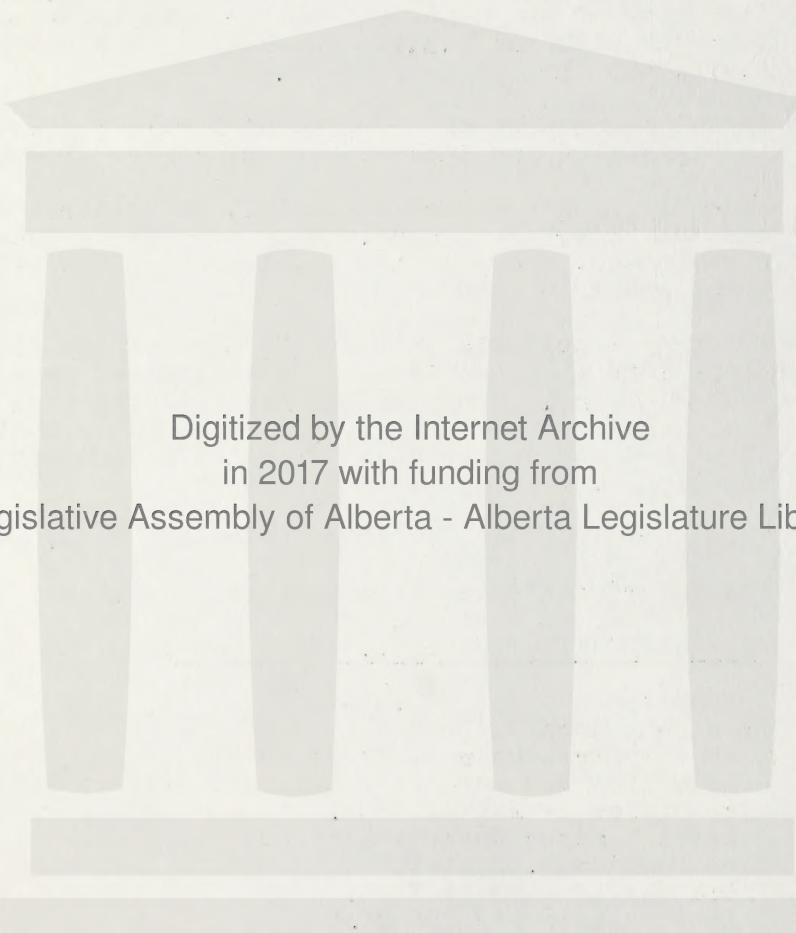

6. This aerial cable gave this hamlet its name.

7. The "Star" coal mine is described as follows:

Rosedale Collieries Ltd., (Star Mine)
